Competitors will be required to score and pull targets. Competitors may provide qualified pullers in lieu of pulling targets. The Match Director is authorized to reduce the match in shots fired or distance due to range conditions. Refunds will not be provided once the match has commenced.

Empty chamber indicators are required – Rule 3.21

Bolt Closing – All competitors shall close the bolt only when the rifle is parallel to the ground and pointed at the targets or the berm

Competitors are required to use ear protection and are encouraged to wear eye protection. In the pits eye protection is required

Every competitor is expected to have every shot somewhere in the target frame. Equipment capable of 15moa elevation above a 200 yard zero is required. Come with a 100, 200, 300 or 600 yard zero.

Scorers need to ensure the shooter is on target. If a non-visible miss off the target cannot be attributed to a cross fire the scorer must inform the line officer.

The Chief Range Officer will have discretion to disqualify the competitor for the rest of the match
